

The power of N

Rooted in the N dynamic and high performance, the all-new KONA N will leave no driver or passenger unsatisfied. With exhilarating speed and performance capability, the all-new KONA N delivers a drive unlike any other.

For the thrill-seeker

The all-new KONA N completely redefines performance and comfort. With the versatility of an SUV and corner-hugging racetrack capabilities of an N, you're in the hot seat to experience it in full-force.

Performance is key

The all-new KONA N was designed and developed with performance in mind. With uncompromising control of paddle shift and drive mode options, as well as N-branded red brake callipers, your experience and its looks are completely enhanced.

N-branded red brake callipers

Unparalleled control

The electronically controlled mechanical limited slip differential (e-LSD) technology reduces wheelspin and understeer, while increasing traction and cornering speed, allowing the driver to enjoy maximum performance.

Full dashboard

World-class comforts

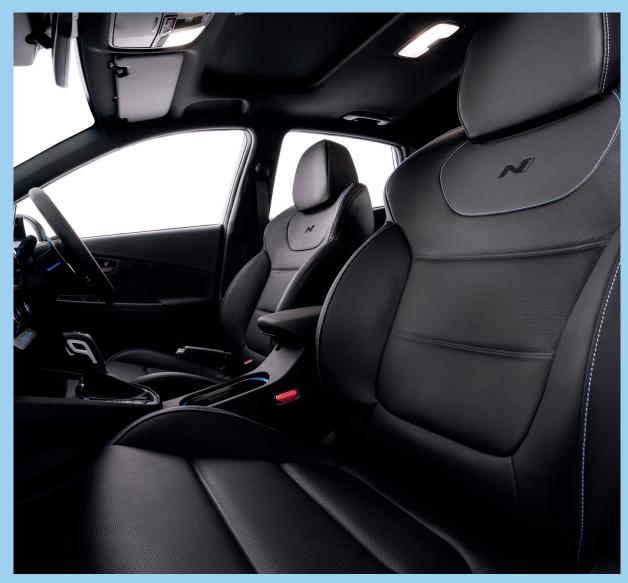

With every single element of comfort integrated into the all-new KONA N experience, you and your passengers will enjoy an unrivalled experience. With a One-Touch Sliding Sunroof, Smart Key and Button Start, Smart Cruise Control and Manual Tilt and Telescopic Steering Adjustment, comfort is no longer a luxury, but rather a standard.

Automatic perfection

With Auto Temperature Control, Auto Window Defogger and Rain Sensors, your new KONA N protects against the elements, while creating the perfect interior climate.

Sit back and enjoy the ride

For optimum comfort, the all-new KONA N comes standard with leather seats and a leather gear knob, as well as heated front seats.

Rear spoiler

19" W Pirelli tyres

Positioned for perfection

With 19-inch W Pirelli tyres, Dual LED Headlamps, LED position lamps and a striking rear spoiler with LED HMSL, the all-new KONA N's exterior is as striking as it is refined.

Arrive safe and in style

The all-new KONA N protects just as well as it performs. With a 6-airbag system, ISOFIX, Tyre Pressure Monitoring, Blind Spot Detect and advanced braking systems, such as ABS, ESC, DBC and HAC, this new model covers all your safety needs.
